

## README for Downloading Neoview Software

Product version: HP Neoview Release 1.1  
Document Version: 1.0  
Part Number: 543794-001  
Date: 9 NOVEMBER 2006

This README file describes how to find the downloadable drivers and executables for the HP Neoview Data Warehousing Platform for Business Intelligence.

For legal notices, see the end of this document.

---

### Locating the Neoview Downloadable Drivers and Executables

---

Some Neoview Release 1.1 publications contain incomplete or incorrect instructions for downloading Neoview drivers or executables. Use this corrected procedure to locate these components:

1. Navigate to the HP Software Depot Web site at:

[www.software.hp.com](http://www.software.hp.com)

2. In the Search box in the menu bar, type:

Neoview

3. Click the Search button.

A list of downloadable software items appears.

4. Click the link to the product you intend to download.

The product download screen appears.
