

Accessing HP NonStop Softdoc Files

To Access NonStop Softdoc Files on the Web

You can access NonStop Softdoc files from the NonStop Technical Library at <http://www.hp.com/go/ntl>. Either select **Softdoc Archive** from the left pane, or navigate to a specific RVU and select **Softdocs**.

To Access NonStop Softdoc Files on Your DVD

1. Insert the Instant Information NonStop Technical Library DVD into your CD/DVD drive.
2. When the HP Instant Information dialog box appears, click **Cancel**.
3. Right-click the desktop icon for the CD/DVD drive.
4. Select **Explore**.
5. Open one of these folders:
 - g_softdocs
 - h_softdocs
 - j_softdocs
6. Open the .zip file that contains the softdocs that you want to read and extract the softdoc files.
